annif

Document Management

Linked Data Storage

By the end of this workshop series you'll be familiar with features of VocBench and have some hands-on experience with it.

VocBench Workshops Schedule

April 6th, 2021

Introducing
VocBench

May 4th, 2021

VocBench Data
Import with
Sheet2RDF

June 1st, 2021

VocBench
Vocabulary
Versioning and
Data Catalogue

VocBench instance available for the duration of the series
<https://vocbench.subjectpredicateobject.com/vocbench3>

We've pre-created usernames and passwords.
Send us a message on Zoom if you would like one to play along.

You can change password if you wish.
No personal details are used or stored.
Data for all projects used or created is encrypted.

Tutorial files are available on
<https://github.com/iskouk/vocbench-workshop-202105/releases/tag/1.0.0>

VocBench data import introduction and quick demo by Armando Stellato
